## ***Dear Parents and Staff,***

Tenaha ISD received confirmation that a staff member(s) and or a student(s) of Tenaha ISD tested positive for COVID. You are receiving this notice, because you or your child was present on the campus in the seven days prior to the individual's diagnosis.

Tenaha ISD's Mitigation Plan provides for extensive cleaning and sanitization protocols, as well as encouraging social distancing procedures, including the voluntary wearing of face masks. Below is a summary of the involvement of the staff member(s) and or a student(s) within the district in order for you to assess your family's potential for exposure. We are required by law to report this information to you as well as to the Texas Department of Health.

Elem/Middle School/High School  
SEC  
Tiger Gym  
Cafeteria  
Band Hall/Dungeon

We currently have 3 teachers out due to positive Covid tests and 1 teacher due to close contact (living in the same household).

We have 4 known positive student cases that have been on campus since school started.

Please continue to closely monitor your family's health. Should you exhibit any symptoms identified below that are not normal please contact your health provider immediately. In addition, please continue all other safeguards outlined by the CDC including frequently washing your hands with soap and water, avoiding touching your face, wearing a mask in public, staying home if you feel sick, and cleaning frequently touched surfaces and objects daily.

### **COVID Symptoms**

Cough/sore throat	Fatigue
Shortness of breath or difficulty breathing	Loss of taste or smell
Chills / Shaking or exaggerated shivering	Diarrhea/nausea/vomiting
Significant muscle pain or body aches	Congestion or runny nose
Headache	Fever of 100.0 degrees or higher

Tenaha ISD will continue to comply with all state and local guidance and strictly enforce the District's rigorous health screening, social distancing, and sanitization practices for all programs. The health and safety of our students and community remains our top priority, and the District will continue to work closely with the Local Health Department as it responds to individual cases of COVID. We appreciate your cooperation as we work through these challenges and continue to support our Tenaha ISD community.

Date: 8/20/2021
